Project Cryptonym [REDACTED]

Project No.

Project Type: Training

1. Objective and Necessity

a. Objective

To provide a program for training and development in the clandestine maritime field so that CIA will have the capability for effective prosecution of clandestine maritime executive and support operations. This objective is in direct furtherance of the mission of the Office of Clandestine Services and the related responsibility of the Office of Training and the Technical Services Staff.

b. Necessity

Experience has shown that clandestine maritime operations are essential activities for the accomplishment of CIA's mission. At present these activities are relatively undeveloped in this country, and no government program to accomplish the above objective exists. Specific matters in this field which require attention and development are:

(1) Research, test, and development of concepts, techniques and procedures.
